IMPORTANT NOTICE AND DISCLAIMER
CONCERNING THE UNITED STATES PATIENT PROTECTION AND AFFORDABLE CARE ACT

This insurance is not subject to, and does not provide certain insurance benefits required by the United States’ Patient Protection and Affordable Care Act ("PPACA"). PPACA requires certain US citizens or US residents to obtain PPACA compliant health insurance, or “minimum essential coverage.” PPACA also requires certain employers to offer PPACA compliant insurance coverage to their employees. Tax penalties may be imposed on U.S. residents or citizens who do not maintain minimum essential coverage, and on certain employers who do not offer PPACA compliant insurance coverage to their employees. In some cases, certain individuals may be deemed to have minimum essential coverage under PPACA even if their insurance coverage does not provide all of the benefits required by PPACA. You should consult your attorney or tax professional to determine whether this policy meets any obligations you may have under PPACA.

DESCRIPTION OF COVERAGE SUMMARY

This Description of Coverage is a summary of the provisions contained in Master Policy No.181920-2.2. For a complete copy of the Master Policy, please contact Tokio Marine HCC Medical Insurance Services Group.

This Description is to help you understand the insurance that your certificate provides. It details the key features, benefits, limitations, exclusions, definitions, Schedule of Benefits and Limits, and any endorsements, applying to your certificate.

The levels of coverage which apply to your coverage are detailed in the Schedule of Benefits and Limits.

IMPORTANT FEATURES OF YOUR TRAVEL INSURANCE

CANCELLATION

We hope you are happy with the cover this policy provides. However, if after reading it, this insurance does not meet with your requirements, please notify us of your wish to cancel and we will refund your premium.

Premiums will be refunded in full if a cancellation request is received prior to the certificate effective date.

Premiums may be refunded after the certificate effective date subject to the following provisions:

- A $25 cancellation fee will apply for administrative costs incurred by us; and
- Only the unused portion of the plan cost will be refunded; and
- You cannot have filed any claims to be eligible for a premium refund.

U.S. PREFERRED PROVIDER ORGANIZATION (PPO)

This insurance policy offers the option of a PPO network for medical treatment received in the United States. If you choose to seek treatment from a PPO provider, billed charges for eligible expenses may be reduced and we will remit payment directly to the provider. Additionally, we will apply the in-network coinsurance applicable to the expenses.

You may review a listing of hospitals, physicians and other medical service providers included in the PPO Network for the area where you will be receiving treatment by accessing the Internet website for Tokio Marine HCC - MIS Group: www.hccmis.com. For assistance locating a provider, contact us at 1-800-605-2282.
CLAIMS
This insurance policy has in it a Claims Procedure which tells you what steps you must take to file a claim, and explains our obligations to you. Beginning on the last day of your certificate period, you shall have 60 days to provide us proof of claim.

APPEALS AND COMPLAINTS
This insurance policy has in it an Appeals and Complaints Procedure which tells you what steps you can take if you wish to make an appeal or complaint.

DEFINITIONS
This insurance policy has defined terms, indicated by bolded words (excluding headers). The defined terms may be found in the relevant benefit section or in the general definitions.

PRE-EXISTING CONDITIONS
This insurance policy excludes coverage for pre-existing conditions, except as provided for under the Acute Onset of Pre-existing Conditions benefit. This policy defines a pre-existing condition and provides the description of the Acute Onset of Pre-Existing Conditions benefit.

DATA PROTECTION
We respect individual privacy and value your confidence. We restrict access to personal information to employees/partners who need to know that information in order to perform their jobs. Any employee that we determine is in violation of this policy will be subject to disciplinary action, up to and including termination and criminal prosecution.
We will not disclose your personal information to third parties outside Tokio Marine HCC and our partners unless ordered to do so to comply with the law of the countries in which we do business or when complying with the legal process.

RIGHTS OF THIRD PARTIES
You may assign benefits under this insurance to a hospital, physician or other provider. Any assignment shall not confer upon such hospital, physician or other provider, any right or privilege granted to you under this insurance except for the right to receive benefits, if any, which are determined to be due and payable hereunder. No hospital, physician or other provider shall have any direct or indirect claim or right of action against us.

LAW AND JURISDICTION
No action of law or equity may be brought to recover benefits under this insurance until 60 days after written proof of claim has been provided to us. No such action may be brought after the end of three (3) years after the time written proof of claim is required to be furnished. The validity, interpretation, and performance of this agreement shall be governed by and construed in accordance with the laws of Bermuda.

Upon termination of the certificate, in accordance with this provision, we will pay eligible medical expenses for up to 90 days beginning on the first day of diagnosis or treatment of a covered injury or illness while you are outside your home country. The benefit period applies only to eligible medical expenses related to the injury or illness that began while the certificate was in effect.

In the event you begin a benefit period while the certificate is in effect, and the certificate terminates because you return to your home country, we will pay eligible medical expenses which are incurred in your home country during the benefit period. Home country coverage applies only to eligible medical expenses related to the injury or illness that began while the certificate was in effect.

INCIDENTAL HOME COUNTRY COVERAGE

Any benefit accrued under a single three month period does not accumulate to another period. Except for a benefit period, coverage provided under this Master Policy is for a maximum duration of 364 days.
Notwithstanding the foregoing, coverage under all plans shall terminate on the date we, at our sole option, elect to cancel all members of the same sex, age, class or geographic location, provided we give no less than 30 days advance written notice by mail to your last known address.

Certificate Period means the period of time beginning on the date and time of the certificate effective date and ending on the date and time of the certificate termination date.

Coinsurance means your payment of eligible expenses as specified in the Schedule of Benefits and Limits.

Deductible means the dollar amount of eligible expenses, specified in the Schedule of Benefits and Limits that you must pay per certificate period before eligible expenses are paid.

Usual, Reasonable and Customary means the lesser of the following:

1. One and a half times (150%) of the charges payable under the United States Medicare program, for claims incurred outside the PPO network within the U.S., or
2. Most common charge for similar services, medicines or supplies within the area in which the charge is incurred, so long as those charges are reasonable. What is defined as usual, reasonable and customary charges will be determined by us. In determining whether a charge is usual, reasonable and customary, we may consider one or more of the following factors: the level of skill, extent of training, and experience required to perform the procedure or service; the length of time required to perform the procedure or services as compared to the length of time required to perform other similar services; the severity or nature of the illness or injury being treated; the amount charged for the same or comparable services, medicines or supplies in the locality; the amount charged for the same or comparable services, medicines or supplies in other parts of the country; the cost to the provider of providing the service, medicine or supply; such other factors we, in the reasonable exercise of discretion, determine are appropriate.

U.S. PREFERRED PROVIDER ORGANIZATION (PPO) REQUIREMENTS

Nothing contained in this insurance restricts or interferes with your right to select the hospital, physician or other medical service provider of your choice. Nothing contained in this insurance restricts or interferes with the relationship between you and the hospital, physician or other providers with respect to treatment or care of any condition, nor your right to receive, at your own expense, services and/or supplies that are not covered under this insurance.

To comply with the United States Preferred Provider Organization (PPO) requirements, you must receive medical treatment from PPO providers while in the United States. If you choose to seek treatment from a PPO provider, we will remit payment for eligible expenses directly to the provider and we will waive the coinsurance applicable to the expenses.

You may review a listing of hospitals, physicians and other medical service providers included in the PPO Network for the area where you will be receiving treatment by accessing the Internet website for Tokio Marine HCC - MIS Group at: www.hccmis.com. For assistance locating a provider, contact us at 1-800-605-2282.
CLAIM PROCEDURES

You must submit a claim for any expenses to be paid by us. This includes treatment or services for which the medical provider will bill us directly. No payments will be made by us without you first submitting a claim.

Notice of claim, Claimant’s Statement and Authorization, and proof of claim must be mailed to:

Tokio Marine HCC - MIS Group
P.O. Box 2005
Farmington Hills, MI 48333-2005
USA

PROOF OF CLAIM

When we receive notice of a claim, we will provide you with forms for filing proof of claim. The following is considered to be proof of claim:

1. A completed and signed Claimant's Statement and Authorization form, together with any/all required attachments;
2. Original itemized bills from physicians, hospitals and other medical providers; and
3. Original receipts for any expenses which have already been paid by you or on your behalf.

Beginning on the last day of your certificate period, you shall have 60 days to provide us proof of claim (unless medical services were rendered after the certificate termination date, in which case you shall have 60 days from the date the claim is incurred). Subsequent to receipt of proof of claim, we may, at our sole discretion, request and require additional information, including but not limited to medical records, necessary to confirm the validity of any claim prior to payment thereof.

CLAIMS COOPERATION

You shall provide assistance and cooperate with us or our representatives in obtaining any other records we or they feel necessary to evaluate the incident or claim. Following notification of a claim, you shall provide, when asked, all authorizations necessary to obtain your medical records. If you do not cooperate with us and/or our investigation of the claim, we shall not be liable to pay any claim.

ACCESS TO ADDITIONAL MATERIALS

You shall provide us, or our designated representatives, all information, documentation, medical information that we or they may reasonably require during the term of this policy, or until all claims have been resolved, whichever is later.

OTHER INSURANCE

We shall not pay any claim if there is other insurance which would, or would but for the existence of this insurance, pay such claim. This insurance will apply with respect to expenses in excess of the amount paid or payable under such other insurance. We shall not pay any claim in respect to care, treatment, services or supplies furnished by any program or agency funded by any government.

ARBITRATION

Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration by the American Arbitration Association in accordance with its Consumer Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Where any dispute is by this provision referred to arbitration, the making of an award shall be a condition precedent to any right of action against us.

APPEAL AND COMPLAINTS PROCEDURE

APPEALING A CLAIM

In the event we deny all or part of a claim under this insurance, you may file a written appeal with us. The written appeal must include sufficient information to identify the claim under appeal and must specify the reason(s) for the appeal with supporting documentation, if applicable.
Please provide your written appeal online or by postal mail at the following:

   http://service.hccmis.com/ or Tokio Marine HCC - MIS Group  
P.O. Box 2005  
Farmington Hills, MI 48333-2005

With our receipt of the second appeal, medical and/or claims personnel who were not involved in the original claim determination or the initial appeal will review the claim. A final determination will be made and a letter will be sent to you.

Please note that appealing a claim is not a requirement to following the complaints procedure detailed below.

3. **Injury, illness**, sickness, disease, or other physical, medical, mental, or nervous conditions, disorder or ailment (whether known or unknown) that, with reasonable medical certainty, existed at the time of application or within the 6 months immediately preceding the certificate effective date.
