INTERMEDICAL INSURANCE®

TRAVEL INSURANCE FOR MEDICAL EMERGENCIES OUTSIDE YOUR HOME COUNTRY

Yes, it can happen to you. Every year, people travel outside the country and require emergency medical treatment, hospitalization or medical evacuation. When this happens, finding qualified medical care may be difficult. And it may not be covered by your private health insurance.

If you are injured or become ill on your trip, you're not on your own. You can rely on InterMedical to help with your covered eligible medical expenses. Payment can be made directly to an evacuation/repatriation transportation service, and in some cases to medical providers.

INTERNATIONAL MEDICAL INSURANCE FOR AS LITTLE AS \$1.35 PER DAY*

Our quality international medical insurance and medical evacuation coverage may cost less than a dollar a day ... and covers you for up to 364 days. Protect yourself, your spouse, your unmarried dependent children, or children traveling alone.**

*This rate would apply to an individual 29 years old or younger with a \$50,000 medical limit and \$1,000 deductible.

**Child is defined as a person at least 14 days old, and younger than 18 years old.

ACCIDENT AND SICKNESS MEDICAL COVERAGE

Pays for eligible medical and surgical services of a physician, nurse, and/or hospital. Includes coverage for Covid-19. Testing for COVID-19 will only be covered if deemed medically necessary by a physician. The antibody test is not covered, as it is not medically necessary.

WORLDWIDE ASSISTANCE SERVICES

Offers emergency assistance 24 hours a day, 7 days a week. Includes medical referrals, translation services, and what to do if emergency travel assistance is needed. *Worldwide Assistance Services are provided by World Service Center.*

TRAVEL ASSISTANCE BENEFITS

Benefits include reimbursement of reasonable expenses associated with the interruption of your trip due to covered circumstances. Additional benefits include coverage for expenses from lost or stolen passport or checked baggage.

MEDICAL EVACUATION

Pays for emergency medical evacuation, along with return airfare to your home or to the location from which you were evacuated.
