

## Travel Insurance Services

Serving the travel insurance community since 1973.

### Traveler Touchpoints Roadmap

Refer to the roadmap below as a general guide on when you should communicate about travel insurance to your travelers to get the most participation. You can find materials and sample language at [travelinsure.com/resources/educational-travel](http://travelinsure.com/resources/educational-travel).

*Is your contracted tour operator sending communications to your travelers as well? Be sure to have them include information about the travel insurance in their communication.*
